Good Afternoon -

Due to Brown Act obligations we have slightly amended our proceedings for tomorrow. Please be advised that we have scheduled a SPECIAL board meeting for 2016.06.09 at 7:00pm, and the 2016.06.09 Regular Board Meeting has been cancelled. Attached is the canceled agenda as well as the special agenda and board packet. The two meetings have the same contents. The reason for this change is that we wanted to ensure we were strictly following the Brown Act noticing requirements for the agenda and board packet.

Thank you for your understanding.
