**Subject: Violation of Government Code 1090**

Dear TVLC BOD and Dr. Lysko,

Pursuant to Government Code 1090, I urge you to declare the lease agreement signed by Mr. Bill Batchelor for both TVLC and CPA for occupancy of 3090 Independence to be a conflict of interest and therefore not enforceable.

I urge you to take this action immediately. In doing so, I urge you to meet with your Charter Authorizers New Jerusalem Elementary School District and Livermore Valley Joint Unified School District to look for options in a what has become an increasingly untenable business situation that is likely to have a negative impact on the children of our schools and the communities in which these schools operate.
